RE: Results of 10% Manual Tally

Dear Madame Secretary:

In accordance with the Secretary of State's Post Election Manual Tally requirements calling for a 10% manual tally of contests where the margin of victory, after completing the semi-final official canvass, is less than .05%, the Riverside County Registrar of Voters conducted a public manual tally of 10% of the precincts in the City Council for the City of Menifee. Five precincts were selected by the random means of using four ten-sided dice.

The precincts selected were:

- 33902
- 35752
- 35899
- 55797
- 55800

The public was duly noticed on June 6th. The manual tally commenced on June 11th and concluded on June 13th. All precincts matched the reported results with no discrepancies noted.

Sincerely,

Barbara Dunmore
Registrar of Voters
